# Historical Society

## Oral History Presented

Our June meeting had a very special program. In a continuing effort by the Society to record oral histories of borough residents, four sisters who grew up on West Swissvale Avenue formed a panel that was recorded and filmed.

The family moved to West Swissvale Ave in 1936. One sister still occupies the family home. Marjorie Shutterly, Marilyn Moffat, Marlene Otterman, and Marsha Hastings all contributed interesting anecdotes about West Swissvale Avenue.

It was hard to keep them on West Swissvale. In the fifties, this family traveled to parts of the world that were visited by few Americans. In one case, young Marsha was carried off to a native tent on a beach in Beirut, Lebanon.

We learned that their father Ben Otterman owned and operated a lumber mill in Edgewood and was the ultimate Rotarian. He maintained a 62-year perfect attendance record no matter where he was in the world.

The family offered support to our local Girl and Boy Scout organizations, Edgewood Presbyterian Church, and the Edgewood Club. Mr. Otterman was one of the bondholders for the first swimming pool. It was a very special evening for the Society.

## Community Day Booth

Please mark your calendars for Community Day on August 20. The Society will have a booth with historical displays. There will also be a flea market so you can buy more THINGS! A

new post card in my historical series of Edgewood will be offered for sale, and there will be post cards of the local area as well. Proceeds benefit the Historical Society.

## New Director Named

As we move forward into our 2005-2006 season, we are blessed to do so with our very talented, new music director, Walter Morales. He will help us continue to grow, move forward and reach new levels. Walter is helping to bring us new ideas, new contacts and new vision. We are very excited about performing with him this season and hope that you will come see us.

Walter has been music director of the Carnegie Mellon Contemporary Music Ensemble since 2003, as well as principal conductor for the Repertoire Orchestra of Carnegie Mellon University since 2001. He has also been resident conductor for the Opera Theatre of Pittsburgh and assistant conductor for Carnegie Mellon Philharmonic. And now, Music Director of the Edgewood Symphony Orchestra.

Look for the availability of our season tickets within the next month. For more information, check out our web site at [www.edgewoodsymphony.org](http://www.edgewoodsymphony.org) or call (412) 473-8880

## Pops Season

As your community orchestra we are excited and honored to perform our annual pops concert at Edgewood Community Day. We will perform some of your favorite songs such as "The Empire Strikes Back", "Sound of Music", "Duke Ellington", "Salute to the Armed Forces" and our traditional "Stars and Stripes Forever" among others. Back by popular demand leading our talented group of musicians is Elisabeth Heath Charles.

Please plan to stop by our booth to meet some of our members and see what we have for fun for the day.

## Environmentally Aware Edgewood

### Green Volunteers Wanted

Did you know that recycling one aluminum can saves enough energy to keep a 100-watt bulb burning for almost four hours? If you are interested in working with a team of neighbors to make Edgewood cleaner, safer, and kinder to Planet Earth, be sure to sign up at the Environmentally Aware Edgewood table at Community Day. A group is forming to take on one or two small projects a year, ranging from hosting a composting information session to sponsoring recycling education campaigns. If you are willing to contribute materials to the table or staff it for an hour please contact Cynthia Magistro at (412) 731-2743 or [cynmagistro@hotmail.com](mailto:cynmagistro@hotmail.com).

# Police Report

## Block Watch

A Block Watch meeting was held at the Edgewood Borough Building early this summer. Edgewood citizens expressed their concerns on several matters in the borough. Ideas were shared between everyone there on how to make Edgewood a safer community. If you have any questions, contact Officer Livingston.

## Buckle Up!

Edgewood Police participated in a national seatbelt campaign called "Click it or Ticket" over the Memorial Day weekend. More than 70 motorists passed through the checkpoint on Edgewood Avenue, with 32 citations being issued for seatbelt and other traffic violations. The campaign is designed to encourage more drivers to buckle up their seat belts when driving. *Remember: Buckle up, it's the law!*

## Ride 'em, Bikers

The fourth annual Edgewood Police Bike Rodeo was the best-attended bike rodeo yet. More than 57 kids braved the heat to learn how to ride their bikes safely. Some got fitted for free bike helmets and others just came to try the three challenging skill courses. Giant Eagle was there to cook hot dogs and pass out drinks to the kids.

We would like to thank the following people and organizations for their help in making this event a success: Giant Eagle, Edgewood Fire Department, Edgewood DPW, Gatto's bike shop, Edgewood Boy Scouts and Edgewood

## Police Tip of the Month

With summer in full swing and more people driving around the area, it pays to take extra precautions. Keep bikes locked or out of sight. Try to keep an eye on your wicker furniture and outdoor plants. These are especially hot items for thieves that can take them to flea markets and sell them. Make a mark on your furniture someplace so that if it is stolen and recovered, you can make a positive I.D. on it.

Primary teacher Mrs. Hargrove. We hope to see even more people next year.

## Safety at the Library

Officer Livingston conducted a safety talk at the C.C. Mellor library on June 11 covering various topics on safety. The children were given tips on how to play and ride their bikes safely during the hot summer months. Two children received bike helmets courtesy of the Edgewood Police Department. Treats were passed out to the children and everyone had a good time learning about safety.

## Dumpster Permits

On-street dumpsters now have come under the jurisdiction of the police department. All dumpsters that are put on the street require an application approved by the department and a \$25 fee. Applications can be obtained from the main borough office.

## Leaf Season

Before you know it leaf season will be upon us. Please review the pick-up schedule for streets (found on page 10) and see when your day is scheduled. Please note that the schedule runs from Friday - Wednesday.

If we are unable to get to a street because of weather or extenuating circumstances, we will do our very best to get back to that street the same week. If, for example, it is raining on Monday, those streets will not be picked up on Tuesday, but would be done the next Monday. We are doing our best to keep streets on the same schedule. If we move one day back we then have to

move them all back, and the pick-up days outlined become meaningless. We hope the weather will cooperate, but again we will try to get back to those streets the same week. The borough certainly appreciates your patience.

The first day of leaf pick-up will be Friday, October 14. Although signs around the borough say November 1, we are trying to be more proactive. Between the second week of October and first of November is when we get the heaviest downfall of leaves. This, coupled with the fact that we have a new leaf machine, should make pick-up more efficient this year. This schedule will be on our new web site, which should be updated by early August.

# EVFD

## Why Did the Chicken Cross the Road?

In the immortal words of Lou Pappan, chicken, chicken, chicken and you gonna like it! That's right, it's time for the annual EVFD chicken and rib dinners at Community Day. Unlike the gas station, we are keeping the price the same at \$8 a dinner. So what do you get for your money, in case you're new here? Half a chicken or ribs, corn on the cob, roll and, well, we haven't quite figured out what the side will be this year, but I assure you it'll be something good.

As an added bonus for the kiddies, with the help of the State Representative Paul Costa and Senator Jay Costa, we will have an inflatable fire truck that has an 18 foot sliding board.

## Training

Although the temperatures and humidity have been unbearable the EVFD has been participating in multi-company training in Swissvale. A house scheduled for demolition was used for the training sessions. With the decline in volunteers it is important that the companies train together since we will all be working together. On that note, if you are interested in joining the EVFD, stop by for an application.

## Community Day

Edgewood Community Day will be held on Saturday, August 20. As always, the big day will begin with the 5K and end with a fireworks display. This year there will be many new and impressive displays including a huge slide provided by the Edgewood Fire Department; the return of the dunking booth; two climbing walls for novice and advanced climbers; and the Edgewood Olympics, featuring games like human ring toss, crab walk race, three-legged race, and wheel barrel race.

Edgewood Recreation will again have a gaming booth offering similar games as last year. New prizes have been added, including 4' stuffed animals in our "pick-a-ticket" game. Other games include: tic-tac-toe, 7-11, duck pond, milk-can toss and basketball throw.

Edgewood Recreation is always in need of volunteers; this is especially true for Community Day. If you are able to spare some time, please contact the Recreation Department. I am looking for a few volunteers to help with the set-up and dismantling for community day. It is not easy to put together what you see each year and require a significant amount of help from community members. Please call the Recreation Department ASAP to find out how you may be able to help.

## Edgewood Soccer

Edgewood Soccer will begin in September. Registration forms are due August 20.

Edgewood has soccer for children from 4 - 13 years of age. The age divisions are as follows: Under 6 (Coed), Under 8, Under 10, Under 12 and Under 14 years of age. The league is open to both boys and girls within these age groups; however, the older teams are not co-ed. The league is set up so each team will practice on a set weeknight and games for the entire league will be held on Saturdays or Sundays. All games will be played at Koenig Field.

Registration forms can be found inside of this newsletter, at the CC Mellor Library and the Edgewood Borough Building.

We require all parents to volunteer in one of the following areas: coach, assistant coach, field maintenance, equipment set-up and dismantling, age group coordinators and scorekeepers. If you or your company may be interested in sponsoring a soccer team, please contact my office. Sponsorship through Edgewood Recreation is a good way to help the youth of our community. Anyone who may be interested in donating time, or financially sponsoring the soccer program (donations of all levels are appreciated), please contact James C. Morris at the Recreation Department.

## Baseball and Softball

Congratulations to the 11- & 12-year-old Green team, who brought home Edgewood's first championship at the 11- & 12-year-old age level of the Woodland Hills Youth Baseball League. All of our Baseball teams played extremely well this year, each finishing above .500. The 7- & 8-year-old team was one run away from its own championship.

Banquet was held at the Edgewood Club this past month. Each baseball participant was honored with an individual award and trophy. I would like to thank volunteer coaches John Byliak, Mark Kush, Mike Rensland, Ned Schano and Howard Rohan. In addition to our coaches, I would like to thank Delores Oliver, Pat Schaefer and Judy Mysels for their help with the baseball banquet. In addition, I would like to give special thanks to Laura and Danny Horner.

Congratulations to our girls for another great softball season. Each girl played very hard, and sometimes under unusual circumstances. It was a great season for the girls who finished with an end of the year party that could put Thanksgiving to shame. I would like to thank John Seekings and Kip Bryant for their coaching efforts.

Finally, I would like to thank our sponsors: Jane Holmes Residence, Trophy Town of Pennsylvania, and the Edgewood Fire Department.

## Monday Movie Night

Who could forget about our Monday Movie Night featuring children's movies shown every Monday through the end of August on the grass of Koenig Field? All movies begin at dusk and free popcorn is available compliments of Edgewood Family Chiropractic. A complete list of this summer's movies can be found in the kiosk outside of the Koenig Field House. Please show your support for one of the Recreation Department's most popular programs by attending one of the last few movie nights of the summer.

I would also like to thank the Edgewood Fire Department for their support on Movie Nights. For the past three years the Fire Department has been on location allowing children to climb on and into the pumper truck. Their presence has kept Movie night a truly safe community event.

## Fall Tennis

Fall Tennis with Brian Maklavic, U.S.P.T.R., will resume on Sunday, September 6. Adult tennis will be held on Sunday and Wednesday evenings this fall from 6 - 7 p.m. Children's fall tennis clinics will also resume in early September; with Sunday sessions from 4 - 5 p.m. for advanced players and 5 - 6 p.m. for beginners, and Wednesday sessions from 4 - 5 p.m. for beginners and 5 - 6 p.m. for advanced players. Traveling match play for all age groups is available with this program. Please call Brian at (412) 629-9007 or the recreation office for rates and other information.

## Summer Programs

Monday evening instructional Tee-ball has been an outstanding success. The children involved in this program have begun to develop the fundamentals and understanding of baseball.

The Monday and Wednesday daytime Tee-ball went extremely well and so did balloon toss and flag football. Special thanks to the library staff for their help with story hour in the tot-lot. Also, arts and crafts was again successful and many future artists may have been formed right here in Edgewood.

## Penny Carnival

Edgewood's Annual Penny Carnival at Koenig Field was a great success. This exciting event provided younger children the opportunity to play different "skill" games for prizes, including ring toss, spin art, and basketball shoot. Our biggest hit this year was the addition of the water pong, with live goldfish for the prizes.

I would like to offer a special Thanks to Marjorie Freedline and her family for the long hours and construction of many of the games. Marjorie was helped by

her sisters who traveled many miles for this event. This is the fifth year Marjorie has directed this event and the success has grown each year! Thanks Marjorie!

## Edgewood Open

The annual Edgewood Open Golf Outing will be held at Westwood Golf Club, September 17. Last year we had record-setting attendance, I can only imagine what this year will bring. The thousands of dollars in prizes are available, in part, to our sponsors. I would like to thank the following sponsors for their continued dedication to the promising development of Edgewood programs: Giant Eagle in Edgewood Towne Center; Kefalos Real Estate; Dunning's Grill; Luma and Willow Restaurants; Western Pennsylvania School for the Deaf; www.supertix.com; McBroom Beer Distributor; District Justice Susan Evashavik; The Law Offices of James David Elder; The Carlton; Stonebreakers Jewelers; D's Six Pax & Dogz; CFS Home Loans; The Edgewood Club; and Edgewood Dental, Thomas Brown, D.M.D.

## Special Thanks

This year the fields has looked better than ever, the snack bar has run smoothly, my office has a new look, the basketball court has been maintained, the tot-lot is continuously keep free of trash and there is constant supervision at Koenig field for events. This is all a result of my summer help: Danny Horner, Zach Heidish, John Tragard, Morgan Boccio and Cody Gill. These young adults range in age from 12 to 20 and have done a great job in helping to improve Edgewood's only useful green space. In addition I would like offer a special thanks to Courtney Toman, assistant to the recreation director, for her help and dedication to the department. Her influence can be seen in each and every event we offer.

I would also like to thank Bob Derda and the Pittsburgh Pirates for their continued help and dedication to the Edgewood Recreation Department. Through his office we were able to provide Pirates tickets as gifts and awards to our kids.

Finally, I would like to thank the kids I coach in baseball. For my bachelor party, the guys took me to a game @ PNC Park. I will give more specific details in next month's newsletter...so stay tuned.

# Church

## FPCE Welcomes New Pastor

August 1 marked a new chapter in the life of the First Presbyterian Church of Edgewood when the Rev. Michael S. Wilson begins his tenure as newly elected pastor. Rev. Wilson comes to us from a shared pastorate at three small churches in Freeport and Leechburg. He is married to the Rev. Mary Louise McCullough, who began serving as Pastor at Sixth Presbyterian Church in Squirrel Hill earlier this year. They make their home in Regent Square. We look forward to many years of exciting opportunities under Rev. Wilson's leadership. Please join us in welcoming Mike and Mary Louise to the Edgewood community.

## Spaghetti Dinner Kicks Off Weekend

FPCE will once again host a spaghetti dinner to start the Community Day weekend activities. Join us on Friday, August 19 from 5 - 7 p.m. in the church Social Room. Tickets are \$5 for adults and \$3 for runners/walkers in the Community Day 5K and children under 12. Call the church office at (412) 241-4613, or just show up at the door. Donations of tomato paste, tomato sauce, pasta, salad, and cheese will be accepted and greatly appreciated from both congregation and community members.

## The Edge Goes on Vacation

While the church leadership makes its transition from Interim Pastor Rev. Rebecca Hickok to Rev. Wilson, much of the church's programming is taking a temporary hiatus. This includes the Wednesday Night informal service, The Edge. We'll be planning, regrouping, and recharging to start up again in September.

## FROGS Hops from into Fall

The children's community enrichment program hosted at the church, FROGS, is winding down its summer session. By the time this newsletter reaches you, the tadpoles who joined us for fun in the sun will be gearing up for school to begin again. Be on the lookout for information about the upcoming fall session. We're looking forward to continuing our collaboration with the Wilkinsburg Community Ministry (who provide meals for us), and also some of the teachers at Edgewood Primary School. Thank you to those who have volunteered their time and talents this summer - we'll be looking for more help in all areas for the next session. If you are interested in volunteering any amount of time for our fall session (Tuesdays and Thursdays from 3:00-6:00pm), contact FROGS Coordinator Kathy Hart at the church, (412) 241-4613, ext. 101.

## September 11 Observance Planned

Mark your calendars and plan to join us as we celebrate the lives of those lost on September 11, 2001, and honor those

who serve to protect us. We have invited community service men and women to participate in the observance, which will take place during and after the Sunday worship service at 11 a.m. (first day back at the regular worship hour). An audio-visual presentation will be shown after the service, and light refreshments will be served. Please join us on Sunday, September 11, 2005, as we remember...

*CROSSING THE FINISH LINE: This 5K runner is making a big push at the finish, and so is the race committee. Join them in supporting this Edgewood tradition - the race is always looking for volunteers, as well as items to be raffled off to participants, such as gift certificates, event tickets, and the like. Contact Mark Cohen at (412) 241-0155 for more information.*
