That perennial Edgewood favorite, Monday Movie Night, returns for the 2007 season with a line-up of great family-friendly films. The show begins at dusk (usually around 8:45 p.m.) on the baseball field at Koenig Field. Since no movie experience is complete without popcorn, Edgewood Family Chiropractic provides it free. Bring your lawn chair or blanket down and enjoy the show.

## Comprehensive Planning Process Underway

Nearly 70 Edgewood residents attended the planning meeting held in May at the Western Pennsylvania School for the Deaf. The goal of the meeting was to obtain residents' input on issues vital to the future of the borough.

Edgewood is working on developing a Comprehensive Plan with Swissvale and Rankin. When complete, the Comprehensive Plan will serve as a land use plan for borough council, staff and volunteers. According to Pashek Associates, multi-municipal cooperation creates a clear, unified vision for the region, allows more enables joint municipal ordinances, encourages coordinated approaches to economic development, and enhances environmental quality.

Consultants from Pashek Associates led an interactive discussion of Edgewood's strengths, needs and goals for the future. Facilitators listed all ideas on flip charts, then gave citizens a method to put their money where their mouths were: sheets of garage sale price stickers were handed out, and participants assigned value to the various issues discussed, with a \$20 sticker being worth \$200,000 down to \$1,000 for a ten-cent sticker. Citizens could divide their money among several issues, or go for broke on one they considered top priority.

Among the most important issues chosen (in no particular order) were public safety, economic development of Parcel D and the Edgewood Avenue business district, traffic control and maintaining the character of the borough.

Pashek Associates will now crunch the numbers to see which issues are highest in priority. Similar meetings were held in Rankin and Swissvale, and when all the data is assembled, the consultants will hold a meeting with all three boroughs, most likely sometime in the fall.

## Class of 2007: Where Are You?

*AHH, TRADITION: It's what makes Edgewood Edgewood. Unfortunately, sometimes tradition clashes with technology and all goes painfully awry. That is what happened with the annual picture of Edgewood's graduating seniors. When the newsletter got home, it simply wasn't in the camera any more. By press time, we were still unable to contact any of the many parents with cameras. If you have a picture of the graduating class, please e-mail it to the newsletter at [marmozette@comcast.net](mailto:marmozette@comcast.net). and the tradition will merely be delayed a month.*

If you, a friend or a family member has a convertible and would be so kind to provide it for the parade, please contact me at [firechief@edgewoodboro.com](mailto:firechief@edgewoodboro.com) or call (412) 242-4824 and I will get back to you. Chickens are willing to sacrifice themselves for our dinners; won't you please help us with a convertible?

### Fourth of July Bang

Here's your chance to win \$500 dollars cash or a leather fire helmet. Tickets are available from any member of the fire department for a July 4 drawing. The donation is a dollar per ticket. The proceeds from the ticket sale will go to purchasing additional equipment for the rescue truck.

Speaking of the rescue truck, a new 40-inch spreader, a.k.a. "Jaws of Life," as well as a Mach 2 cutter have been

placed in service on the rescue truck. The Mach 2 cutter is used for cutting through the newer metal being used in vehicle manufacturing these days. These two tools will allow us to place four tools into service at one time, resulting in a faster extrication of patients. In addition to the Hurst tools, emergency rope and climbing devices have been added to the rescue. Thanks goes to Senator Jay Costa for helping us secure the funds for the rope and tools.

### Scouts and the EVFD

By the time this issue hits your doorstep the Boy and Girl Scouts will have completed CPR and first aid training with the fire department. This is the first step in getting a borough CERT team formed. Additional training is taking place so that in the event of an emergency we can deploy the CERT team to assist the first responders. If you are interested in joining the team please contact me.

# Police Report

## Tasers

Our officers have recently been trained and certified in the use of Tasers. Officers began carrying the Taser in May. The Taser is an electronic control device which uses propelled wires or direct contact to conduct electrical impulses through the body, affecting the nerves that control movement. Taser use by our department is going to be tracked very closely. I hope that the Taser will be a valuable tool for the officers, if needed.

## Sign Language Classes

Some members of the Edgewood Police Department are taking sign language classes in order to better communicate with the deaf community that is so prominent in our area. Officers had a chance to utilize some of the signs taught in class during a recent tour of the Western Pennsylvania School for the Deaf where officers also enjoyed dinner. We would like to thank the Western Pennsylvania School for the Deaf and its staff for the delicious dinner and for giving us the opportunity to learn sign language. Special thanks to Mary Ann Stefko, our persevering instructor, for making the classes fun.

## Open House 2007

Edgewood Police Department will hold its Fourth Annual Open House on Saturday, July 28 from 12:30 - 2:30 p.m. in the rear of the Edgewood Borough Building. Complimentary hot food, courtesy of the Edgewood Police

Department, will be served from 12:30 - 1:30 p.m. Music and treats will also be available from the WISH 99.7 Sweet Treat Patrol.

Edgewood Police and Fire Departments will be putting on various demonstrations during the event. There will also be children's games and prizes courtesy of the Edgewood Recreation Department and the C.C. Mellor Memorial Library. Eastern Area EMS will have an ambulance on site for demonstrations and qualified paramedics will answer any questions that you may have about their organization. Tours of the borough building will also be offered to anyone who might want one. Stop by and enjoy some delicious food with your local public safety personnel.

We have also arranged to have a professional destruction company, Shred-it, at Open House this year. Residents will be able to bring down any documents sitting around their home and have this company put them through their commercial shredder. Identity theft is the fastest growing problem in the U.S. and experts recommend shredding your documents as a good way to combat this crime. The truck will be at our station from 12:30 - 2:30 p.m., the duration of the Open House. We will make this available yearly as a part of our Open House event, depending upon the participation of the community.

## Leadership AND Diplomacy

Katie Peters will be attending the National Student Leadership Conference's International Diplomacy Program at the American University in June. Katie is a sophomore at Woodland Hills High School.

## It Runs in the Family

Meanwhile, Katie's mom, Edgewood Borough Council President Pat

Schaefer, was re-appointed to the Board of Directors of the 3 Rivers Wet Weather Demonstration Program and elected as its Secretary/Treasurer. Senator Jay Costa was also appointed to the Board.

Pat was also appointed to the Board of Directors of the Local Government Academy and was elected Second Vice-Chairperson.

## Carson Scholar

Brian Horner, son of Laura and Kevin Horner of Maple Avenue, was named a 2007 Carson Scholar. The

award carries with it a \$1,000 scholarship for college. Brian is one of only 2,800 students in the country to be named a Carson Scholar since the program's inception in 1994. The program rewards students throughout the United States in grades 4-11 who strive for academic excellence (3.75 GPA or higher) and demonstrate a strong commitment to community service.

Brian was recognized for his volunteer work with the Jane Holmes Residence for the elderly, his community activities, his commitment to peer tutoring, his school and parish youth leadership, and his strong academic achievement at Sacred Heart Elementary, where he has just completed the eighth grade.

## Would You Like an Aria with That?

Only in Edgewood would a woman with a wow of an operatic voice sell you your parking permit or give you registration forms for recreation programs.

Borough office employee Mia Fuqua graduated this spring from Chatham College (now University) with a degree in music. She stunned the audience with her powerful voice at her senior recital.

Mia will begin work on her master's degree at Duquesne University in the fall.

# Annual 5K Race Up and Running for 2007

It's time once again to tie on your running shoes and head out to train for the annual Edgewood Community Day 5K Race and Walk on August 18.

This event is the traditional kick-off of Community Day, which continues after the race with a parade and a day-long festival at Koenig Field, topped off with a performance by the Edgewood Symphony Orchestra and a fireworks display.

Edgewood's 5K is known as one of the more challenging courses in the area. August weather tends to be hot, hazy and humid, and the original race committee threw in the fourth H: Hills. But as Frank Shorter once said, "Hill work is speed work in disguise." If you train on our course, your next flatter 5K will probably be a personal record.

The race starts at Koenig Field at 8:30 for walkers and 9 a.m. for runners. Non-running residents might want to plan their day around the street closings. The race course takes runners down Greendale Avenue, across New Street to West Swissvale Avenue, across Pennwood, up to Race and under the railroad underpass. Runners then turn right on Edgewood Avenue, run to Oakview, up Oakview to Chestnut, turn left on Elm, right on Linden, right on Maple, left on Beech, left on Locust, right on Hawthorne, left on Walnut, left on East Swissvale, back under the underpass to Pennwood, left on West Hutchinson, then left again on Little Race to return to the field.

Given that course, is it any wonder that race organizers are seeking volunteers to work at the corners, pointing runners in the right direction?

Volunteers will also be needed to staff the water stop, sponsored by Dave and Eleanor Magyar in front of their Maple Avenue home; and to work at packet pick-up and registration Friday evening and Saturday morning. For more information, e-mail race director Marjie Stewart at the new race address, edgewood5krace@yahoo.com.

The race organizers would like to start thanking sponsors and helpers now, the Western Pennsylvania School for the Deaf in particular, because they upgraded their sponsorship and are now one of three major sponsors of the race. Thank you!

## Newsletter

### Summer Schedule

Just a reminder – this is the combined June/July edition of the newsletter. Editor Marjie Stewart and Advertising Manager Niki Augustine will be lolling about eating bonbons until Monday, July 16, the deadline for advertising or news submissions for the August newsletter.

The August newsletter will be in residents' mailboxes around August 7 with complete community day information, as well as some ready-for-fall items.

## Now Playing at Regent Square

Edgewoodians seeking slightly more serious films this summer need look no further than The Regent Square on South Braddock Avenue. Pittsburgh Filmmakers, the non-profit organization that owns and operates the theater announces this summer schedule:

- *Into Great Silence*, opening June 8 - German filmmaker Philip Gröning's 1984 documentary about the monks of Grand Chartreuse.
- *Mafioso*, June 15-21 – a new print of what has been described as one of

the funniest, darkest and most authentic movies about the mob ever made.

- *Killer of Sheep*, June 22-28 – available for the first time in nearly two decades, this landmark of African American independent cinema examines the Los Angeles ghetto of Watts in the mid-1970s.
