Library

Pennsylvania State Budget

Preparations for the state's 2010-2011 budget are underway. The governor will present his proposed budget in February. We'd like to begin a letter writing campaign to the governor and our legislators. To do this we will set up letter writing desks in the children's and adult departments. You can help in a couple of ways. If you have odds and ends of stationary and cards (with or without envelopes, for children or adults) that you aren't using, drop them off at the library so that we can make them available to our patrons. You can also take a minute to write your own short message about what the library means to you.

Farewell to Board of Trustees Members

With the start of the new year the board will be losing three of its nine trustees. Greer Mulholland joined the board in 1994 and has been very active during her tenure. She served as board vice-president and has headed the Fund Raising Committee for the last three years. Ed Cook has served two separate terms as a trustee, and Eric Schultz became a member this year. Both have served on the Library Operations Committee.

C.C. Mellor's 2010 Annual Appeal

We wish we didn't have to...but the reality is that Board of Trustees of the C.C. Mellor Library and Edgewood Community House relies on the generosity of people like you to operate our library and to restore and preserve our historic building at 1 Pennwood Avenue. The goal of the 2010 Annual Appeal is \$30,000. We would like to send a big thank you to those who have already contributed and to those who participated in The Pittsburgh Foundation's Match Day.

In the recently passed state budget the library will lose just under \$20,000 for 2010. RAD funding has yet to be decided as Allegheny County libraries work to develop a formula that will meet RAD board approval. Members of the Board of Trustees have been very active in seeking increased support from the Woodland Hills School District and the municipalities that C.C. Mellor serves which include Edgewood, Braddock Hills, Forest Hills, Churchill and Wilkins. The Board of Trustees actively pursues grants; however, 2009 was very competitive with many organizations seeking funds from a more limited pot. Library generated income includes fines, the March book sale, memorial and honor gifts, and other merchandise sales.

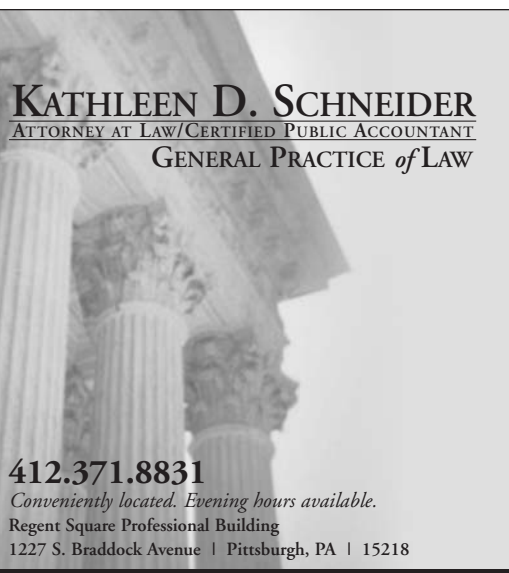

This year more than ever, your gift is important to C.C. Mellor and the communities it serves. Your generosity is appreciated now and throughout the year. Gifts can be made by check or credit card through PayPal on the library's website. Funds may be designated for library operations, building restoration, or unrestricted.

Ed and Eric will be replaced by representatives appointed by Edgewood Borough Council. Greer's position is an at-large position that will be filled by an Edgewood resident. If you are interested in this position, see our announcement below. We thank Greer, Ed and Eric for their dedication, years of service and for using their expertise to make the C.C. Mellor Library and Edgewood Community House a better organization.

Board of Trustees Vacancy

The C.C. Mellor Memorial Library and Edgewood Community House (CCM) are seeking a civic-minded

Edgewood resident to serve on the Board of Trustees effective February 2010. The mission of CCM is to provide the highest quality library services and to restore and preserve our historic building at 1 Pennwood Avenue. The board is particularly interested in receiving letters of interest from individuals with expertise in the areas of fund-raising, grant-writing, public relations/marketing, communications, web-design, and building systems maintenance/repairs. Please forward your letter of interest to Patrick J. Doyle, President, CCM Board of Trustees, 1 Pennwood Avenue, Pittsburgh, PA 15218 no later than January 15.

Edgewood Foundation

Last Issue Before the Progressive Dinner!

This year's progressive dinner will be held on February 20. This event is a great tradition in Edgewood. If you have never attended, you are missing a great night out with your adult neighbors. What better way to spend a cold February evening than with friends and food? All proceeds from the night go toward future Edgewood Foundation events. We look forward to hosting this event and ask that you help out by getting your RSVP in before the deadline of January 24th. See the form in this newsletter for the RSVP information needed.

We Welcome a New Member

The Edgewood Foundation would like to welcome Robin Price as our newest board member. Robin is a long-time Edgewood resident who has been involved with the swim team, the recreation board and multiple other events hosted in Edgewood. We would like to thank Robin for deciding to help make Edgewood a great place to live by volunteering with us. Robin takes the place of Tiffany King. We would like to thank Tiffany for all of the hard work she put into the foundation events. Tiffany hosted the Newcomers Reception and volunteered at every event we hosted. She has been a great asset to us and she will be missed.

Still Searching for One More Member

We are looking for one more member to replace Niki Augustine who will also be missed. Niki worked hard to make sure Light Up Night, Clean-up Day and Sleep Over in the Park were fun and exciting events. Thank you, Niki, for your dedication to the foundation. If you are interested in volunteering with the foundation as a board member please send a letter of interest to info@edgewoodfoundation.org and you will be contacted by a current member.

Annual Appeal Letters

You may have noticed a new look to our annual appeal letter this year! With the help of Lion Works at WPSD, we decided to feature the project we have started at the Edgewood sign near the parkway exit. Please take a moment to read this letter and help us by donating to your neighborhood foundation. There are few neighborhoods that have a non-profit foundation in place to sponsor events for the community. The Edgewood Foundation has been able to do so, on a continuing basis, for the last 25 years! We would like to thank you for continuing to help us stay a vital community group. We have many events planned for 2010, but without your financial support we may not be able to fund them all. Thank you in advance for helping us to help Edgewood be a great place to live and play. Please also include your comments and suggestions on your appeal form, we would love to hear from you.

Edgewood Soccer 2009

Another soccer season has come to an end and I would like to thank all who participated. A huge "thank you" goes to all the coaches, assistant coaches, snack providers, field hands, parents, and especially Dr. DeVita for refereeing again this year! We had approximately 200 kids playing in four different age groups and hope next year will be even bigger and better. Please mark your calendars and check your mail next August for soccer registrations. They will also be available on the borough website by mid-August. The flu and the weather did not cooperate this year, but I hope the kids had fun playing in the mud! Thank you to the parents who had to do extra loads of laundry, juggle schedules and weather the storms to cheer on their kids. We hope the kids had fun, learned something and met new friends – after all, that's what it was all about!

Tax Time

The Edgewood Borough Real Estate Tax which was mailed out in April, with reminders sent out in October, will be turned over as delinquent to PAMS around December 17. If you still have not paid it, please do not wait until that day to do so. Once I have closed my books your payment will be forwarded to PAMS and may not be deposited until January.

The Woodland Hills School Tax is now due at penalty. If you are paying in installments, your third installment is due by February 28 which is a Sunday so I will accept it on Monday the first of March. If you forgot to pay your second installment, which was due by November 30, remember to add the 10% penalty to that payment. Please send in your coupon and a self addressed stamped envelope if you want a receipt. I only have one copy and I need that one for my office. I would like to wish everyone a happy and healthy holiday season!

EVFD

'Tis the Season for Luminaria

The EVFD will be selling Edgewood's traditional luminaria again this season. As always, luminaria orders may be routed through the street captains indicated on the enclosed luminaria flyer. You may also pick up an order form at the borough building during normal business hours, Monday-Friday 8 a.m. to 4 p.m. The fire department will also be at the borough building from 10 a.m. until noon on Saturdays in December. Kits will remain a very affordable \$8 each.

Fire Safety

Please be careful with your holiday decorations. Candles, Christmas trees and lighting are the cause of many residential structure fires. Here are a few facts from the National Fire Protection Association to stress the point. There are an average of 250 home fires per year that are started by Christmas trees. These fires cause an average of 14 deaths, 26 injuries and \$13.8 million in property damage. To put these numbers in perspective, Christmas tree fires are not common, but they are serious when they occur. One of every 18 reported Christmas tree fires results in death. To see how quickly a Christmas tree fire can occur, visit www.NFPA.org and search for Christmas tree fire. Please be safe this holiday season.

Holiday Decoration Safety Tips

- Make sure artificial trees and greenery are fire retardant, they should be labeled as such.

Edgewood Volunteer Fire Department hosted MOMS Club Pittsburgh East on Wednesday, November 18. Moms and tots had a great time seeing the fire trucks and station up close. The event was organized by the club's vice-president of membership, Jessica Kosempa of Garland Street.

- Choose real trees and greenery with fresh, green needles that do not fall off.
- Cut 1-2" from the base of the Christmas tree trunk before placing it in water.
- Add water to trees daily.
- Replace lights with worn or broken cords or loose bulb connections.
- Never use lit candles around flammable decorations.
- Always turn off holiday lights before leaving home or going to bed.
- Dispose of your Christmas tree when it begins dropping needles. Never leave the tree in your home, garage or yard. Dried out trees are fire hazards.

Police Report

Halloween Party

On October 22, Halloween was celebrated in grand fashion at the C.C Mellor Memorial Library. Over 100 children, along with their family members, participated in the parade this year, making it the largest ever. Children were dressed in their favorite costumes, as was the hostess, Andrea McNeill, who once again did a wonderful job of putting this event together.

After the parade, the children were taken inside for a safety talk, which was given by Officer Livingston and Officer Wyke, who was "dressed to impress" in his costume. The children enjoyed pizza and treats, along with glow sticks which were given out to top off a great Halloween. We are looking forward to seeing everyone next year!

Tips for a Safe Season

The Edgewood Police Department would like to wish you and your family a happy and safe holiday season. We would like to give you a few tips to ensure that your holiday season is a safe one.

Police Tip of the Month

It is very important to make sure that you have a properly-affixed legible, address on the front of your home. In case of emergencies, when seconds matter, you want public safety personnel to be able to respond quickly without searching for an address placard that is hidden or not there at all.

- Make sure all packages are delivered when you are home or have a designated person accept it for you.
- Be sure the exterior of your home is well lit. This is a major deterrent to would be thieves looking for an easy way to break in to your home or vehicle. Keep the doors and windows of your house locked, as well as your vehicle doors and windows. Report any suspicious activity to the police immediately.
- This is a busy time of year for everyone. Exercise patience while driving on the roadway. If you see aggressive drivers, call 911 immediately.

Activity Report

The Edgewood Police Department responded to and handled 1,379 calls for service in October. There were 428 incidents reported, 146 complaints received and five accidents investigated, one of which resulted in personal injury, and four resulted in property damage.

Part I Crimes are the more serious crimes of homicide, rape, robbery, aggravated assault, burglary, larceny, motor vehicle theft and arson. Of the 24 Part I Crimes committed in the borough, there were two for motor vehicle theft, 22 for shoplifting and nine other crimes. There were zero reported for robbery, burglary, and aggravated assault.

There were eight adult and two juvenile arrests made for felony and misdemeanor violations.

Edgewood officers wrote a total of 27 traffic citations, 300 parking citations and one arrest for driving under the influence was made. There were three vandalism/criminal mischief complaints and zero narcotics offenses.

Officers also responded to 21 false alarm calls, took 271 reports, responded to 19 public nuisance complaints, wrote nine non-traffic citations and responded to 13 calls for medical assistance.
