## EVFD

As stated last month, this is a busy time of the year for the EVFD. Along with answering alarms, no major ones thank goodness, we have completed training in Hazardous Materials Operation. In conjunction with Swissvale fire department, members have obtained pro board certification to handle minor incidents. In the event of a major hazardous material incident EVFD will be assisting the Allegheny County Red Team to contain any spill. Although many on the department have had training in haz mat we felt it important to have the pro board recognition for the department. The QRS program is performing above expectations and response times have been fantastic. In addition to the regular business of the department we found time to do the annual hayride and also assisted Woodland Hills Band by providing lighting for their band competition.

Now that winter is right around the corner and we are all moving inside, or already have, please remember to exercise caution with candles and auxiliary heating sources. In addition, with daylight savings time you should change the batteries in your smoke detectors. Smoke detectors should be located on every level of your home as well as in each bedroom. When placing a smoke detector in your bedrooms they should be mounted, if possible, above or near the door. The reasoning for the detectors inside the bedroom is that if you sleep with your door closed you may not hear the detector in the hallway.

## Police Report

### Question and Answer

The September newsletter posed this question to our residents: "What is your opinion of the Edgewood Police Department, and what can we do to make it better?" We would like to thank everyone who responded, but, after one month, just 6 responses have been received.

The responses that were received, we are happy to say, were all positive. The common response was that citizens would like to have a non-emergency number, so they do not have to dial 9-1-1 in situations that are not urgent or life-threatening.

Although it is apparent that some residents are less than thrilled with the 9-1-1 system, it is what we currently have to work with. We understand that change is hard, and that most people do not like calling the 9-1-1 center.

There are many advantages for officers and residents with the 9-1-1 system. The main reason most departments switched was the cost effectiveness of using the established 9-1-1 system. We do understand that there is no price for your safety, but, there are many safety concerns with keeping it "in house." The Borough would have to spend hundreds of thousands of dollars a year to staff, train, and maintain an in-house dispatch center that would even come close to the technology of the 9-1-1 center. The 9-1-1 center has the capability to trace a call that has

been lost or trace a threatening call. Our former in-house dispatch center did not have the capability of tracing calls.

Another advantage is that Edgewood officers can hear what is going on in the area and can assist with an incident in Wilkinsburg or Swissvale when there is a life-threatening call close to our borders. Otherwise, officers might not know about the robbery or shooting that just occurred just outside our town. In turn, officers from neighboring departments also can hear and assist when critical incidents occur in Edgewood. A prime example of this is the recent shooting in Edgewood Towne Centre.

(continued from pg.3)  
Neighboring departments heard the seriousness of the call and responded immediately without being asked.

These are just a few of the many advantages of having the 9-1-1 system. We do understand that residents would like a non-emergency number. Unfortunately, this is a difficult thing to do. Our former dispatchers were retained after switching to 911. They are now responsible for driving fire trucks, answering first responder calls, and clerical work. They are now referred to as "emergency services personnel" and are not always able to answer the phone due to other their other duties. They, as well as the Borough Secretary, do not have the capability of reaching the officers. This is why it is extremely important to dial 9-1-1, even in non-emergency situations.

As stated in the September newsletter, please feel free to e-mail any thoughts, concerns, or tips to officer713@edgewoodboro.com. If you would like a response, please note that in your comments. You may also remain anonymous if you wish.

## Edgewood Police Activity Police Statistics

The Edgewood Police Department responded to and handled 1,601 calls for service in September 2010. There were 589 incidents reported, 203 complaints received and 12 accidents investigated, 0 of which resulted in personal injury, and 12 resulted in property damage.

Part I Crimes are the more serious crimes of Homicide, Rape, Robbery,

Aggravated Assault, Burglary, Larceny, Motor Vehicle Theft and Arson. Of the 23 Part I Crimes committed in the Borough, there were 0 for Robbery, 0 for Motor Vehicle Theft, 1 for Burglary, 14 for Shoplifting, 3 for Aggravated Assault and 5 Other Crimes.

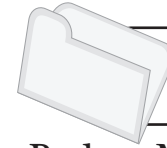

There were 17 adult and 0 juvenile arrests made for Felony and Misdemeanor violations.

Edgewood officers wrote a total of 68 Traffic Citations, 217 Parking Citations and 2 arrests for Driving Under the Influence were made. There were 3 Vandalism/Criminal Mischief Complaints and 1 Narcotics Offense.

Officers also responded to 9 False Alarm Calls, took 266 reports, responded to 2 Public Nuisance Complaints, wrote 11 Non-Traffic Citations and responded to 21 calls for Medical Assistance.

## Police: Tip of the Month

When you see a police officer or a police vehicle, please do not tell your small children, "If you're bad, he will arrest you," or "he will take you away." Unfortunately, officers hear this quite often. These simple words may instill fear in your child towards the police. If a child needs the police, they may be afraid to approach us if they think they will get in trouble or that they will be taken away.

## Council Notes

### Budget Meetings Scheduled

Council has scheduled its first two work sessions for the the 2011 Budget. We encourage our fellow residents to attend to learn about the process, the fixed and mandated expenditures and revenue sources. With what lies before us (especially during these difficult economic times) we hope you will consider attending, even for a short time. We value your input to help us prioritize the Borough programs and services that have made Edgewood the community you choose to call home. We have reserved the first 30 minutes of each meeting for resident comments.

**November 13 (Saturday) from 8 a.m. until noon.**

**November 22 (Monday) from 7 p.m. until 10 p.m.**

### Parking Changes Ahead

Look for changes in Edgewood's on-street parking ordinances beginning this upcoming January 2011. The call-in system for overnight visitors (3 a.m. to 5 a.m.) is being eliminated and residents will be able to purchase a visitor parking pass at the borough building. Please look for detailed information on the borough website in the coming weeks regarding the specifics of the new ordinance. More complete information will be available in December's newsletter. As always, feel free to contact the borough office with any questions.

**Edgewood  
Foundation**

The Foundation would like to thank the new neighbors that attended the Newcomers Reception in September. We hope you enjoyed yourselves and learned a little bit about what Edgewood has to offer. Thank you to all of the community groups that attended and to the Apeposos for hosting the event.

We would also like to thank the 35 parents and children that attended the Sleep Over in the Park one beautiful Saturday evening in September. We had a great time camping in Koenig field and enjoying the bonfire set by our volunteer firemen while making hotdogs and s'mores.

Morning was a bit chilly, but the coffee and doughnuts were enough to pull all of us out of our tents! If you are interested in participating in the next sleepover, please email the foundation with your contact info. You must live in Edgewood, and all children must be accompanied by an adult.

## Wine & Chocolate Affaire

Reserve your spot now at the Edgewood Foundation's third bi-annual Wine and Chocolate Affaire, to be held November 6 at 7 p.m. at the Edgewood Club. # EDGEWOOD COMMUNITY ORGANIZATIONS

## Light Up Edgewood

Ho Ho Ho! The Edgewood Volunteer Fire Department and the Edgewood Foundation will team up again this year for Light Up Edgewood on December 4, 2010 at Memorial Park. The festivities will begin at 7 p.m. with a reading of Clement Moore's, The Night Before Christmas followed by a rumored visit from everyone's favorite jolly old soul in red who should arrive just in time to light the tree. Afterward, we would invite everyone back to the Edgewood club for refreshments and some holiday entertainment for the kids.

Unfortunately, there are a lot of children around Pittsburgh that may not be looking at as rosy a holiday as ours. We have decided that this Christmas, we will partner with Toys for Tots and encourage the children (and everyone else) of Edgewood to bring an unwrapped present for a less fortunate child to Memorial Park on Light Up night. Gifts will be taken to Toys for Tots to try and make the holidays brighter for all of our neighbors this holiday season.

**Please mark your calendars for December 4th at 7PM.**

## Scouts

Boy Scout Troop 23 will be holding its annual Christmas tree sale from November 27th to December 19th, at Koenig Field. The sale opens on November 27th from Noon to 8 p.m. Regular hours will be 5 p.m. - 9 p.m. Fridays, 8 a.m. - 8 p.m. Saturdays and Noon - 8 p.m. Sundays. Please come out and support the troop.

The troop uses the money raised from the Christmas tree sale to fund many scout activities. For example, this summer Troop 23 spent a week at Heritage Scout Reservation in Farmington, Pennsylvania. The scouts enjoyed hiking, kayaking, sailing, and other outdoor activities, as well as earning merit badges in areas such as environmental science, emergency preparedness, woodcarving, and archery. Heritage Scout Reservation provides the opportunity for the boys to experience the great outdoors while learning valuable life skills.

This past September, the scouts attended Campaganza at Moraine State Park. Campaganza celebrated

the 100th anniversary of Scouting. Over 11,000 scouts from western Pennsylvania as well as troops from as far away as New York and Maryland participated in this historic event. Activities included educational exhibits from the State Department of Natural Resources, living history re-enactors, Army, State Police and Medivac helicopters, just to name a few. All told, the scouts were able to participate in over 100 activities.

The troop typically organizes a camping or other outdoor outing at least once month. We are currently planning spring trips to Gettysburg and Washington, D.C. Scouting is open to boys who have completed the 5th grade, or are 11 to 18 years old. The troop meets at 7 PM, every Monday night, at the First Presbyterian Church of Edgewood. We welcome all boys to the adventure of Scouting!

**Nine Mile Run Geology Walk**  
Sunday, November 7th, 1pm-3:30pm  
Meet at the Biddle Street Parking lot on Braddock Avenue  
One of our most popular seasonal walks - so be sure to sign up early!  
Join Albert Kollar, geologist for the Carnegie Museum of Natural History, for this unique trip back in time to

when Braddock Avenue was the Monongahela River and Pennsylvania was close to the equator. Using the rocks and formations in Frick Park, participants will learn about important geological and paleontological periods. Please register with Lisa at [lisa@ninemilerun.org](mailto:lisa@ninemilerun.org) or by calling 412.371.8779 x15.

and for Mercy Behavioral for sharing their front sidewalks with us. WTAE anchors were on hand to sign autographs and our Car Cruise just keeps on getting bigger and better every year. Thanks to DJ Ray for spinning the oldies throughout the afternoon. Eighteen local enterprises took advantage of the free space to market their services. And what would a community event be without fire trucks! Thanks to the Edgewood Police Department and the Wilkesburg Fire Department's Smoke House for coming out to represent our communities. The kids enjoyed face painting, magic tricks, games and the moonwalk.

New to this year's event was a train ride for the little ones and the "Our Communities Got Talent" competition. First prize went to Justin McCord of Swissvale with Megan Pietrusinski of Swissvale and Natalie Buchanan of Edgewood winning 2nd and 3rd place respectively.
