

EDGEWOOD

December 2011/January 2012 A COMMUNITY NEWSLETTER OF EDGEWOOD BOROUGH

2012 Proposed Budgeted Expenditures

Miscellaneous items are: increase in the tree removal budget by \$10,000 (to \$20,000), due to the large number of Borough trees that have reached the end of their lifespan and will need removed; \$12,000 for updating zoning codes and Borough ordinances; an increase of \$10,000 to \$46,500 for legal expenses for a number of pending legal matters. It is necessary to replace the police vehicles (due to excessive wear and repair costs) on a regular basis; the borough will purchase a new police vehicle at a cost of approximately \$36,000. The current SUV will be passed on to the Public Works Dept. to replace one that is about 14- years old. We also have budgeted \$18,000 for new police radios for a County- mandated purchase in 2012.

Budget 2012 Highlights

**Please note that Council has not yet voted on this budget at print time; all numbers are tentative.*

At print time, our 2012 budget is balanced at \$2,721,379, an increase of just under 1% from 2011. The budget will be balanced by carrying over about \$25,000 from a 2011 surplus.

We will hire a year-round part-time employee to the Public Works Department to replace a full-time position that has been vacant for about 2 years. Due to input from the Community Survey (see website), we have added a new code enforcement position (about 20 hrs/week) to our budget to supplement our current part-time code officer. We are attempting to fill this position with an appropriate person.

Council will be setting up savings accounts to carry over remaining funds from the 2011 budget, specifically about \$72,000 from the street paving fund and about \$25,000 from the facilities maintenance fund. At times, monies for necessary projects can't be spent within the specified time frame or a project costs more than is allocated and this gives the borough an opportunity to reserve this money until time or funds are optimal. Replacement windows for the Borough Building are still being reviewed. The Borough also plans to begin spot repairs to LaCrosse St. in 2012; bids for this work have not yet been received. These are two examples of long-term funding projects. The 2012 budget allocates \$72,000 for street paving and \$60,000 for facility maintenance.

The Borough's unemployment compensation cost has increased almost 10 fold from \$2,500 in 2011 to \$24,000 budgeted in 2012.

We will make a final payment from the General Fund to the Sewer Fund of \$138,344.59 to pay off monies borrowed from previous years.

And some good news: We are fortunate to have no increase in our employee's health insurance premiums for 2012.

Also of note: Borough tax revenue for the start of 2012 could be delayed due to several factors. The delay by the County in completing and sending property assessments and the new Act 32 Earned Income Tax Collection implementation. The Borough will need to take out a Tax Anticipation Note (TAN loan) of about \$400,000 to pay bills until tax revenue for 2012 is received in April.

In upcoming issues: a more detailed review of the Final 2012 Budget and a detailed look at the 2011 Budget after the audit is completed.

IMPORTANT NOTICE

Edgewood sewer bills will now be issued by our water company (WPJWA) and be on the same postcard as the water bill. Please prepare for a 'catch-up' double bill in April. See page 2 for more information.

Council Notes

WPJWA is New Sewage Billing Agency

Beginning January 1, 2012, Wilkesburg-Penn Joint Water Authority will become the Sewage-Billing Agent for the Borough. All residents will receive a *combined* water and sewer bill. In April, residents will receive two bills- one from the current Sewage Billing Agency (Pennsylvania Municipal Service Company-PAMS) and one from Wilkesburg-Penn Joint Water Authority. The reason for this is that PAMS is billing for water consumption used in the last quarter of 2011 as they have a three-month delay in billing. Wilkesburg-Penn Joint Water Authority will be billing water and sewer for the most recent three-month billing period (Jan. through March 2012).

Edgewood is joining 14 other municipalities in the area who now bill sewer and water fees jointly through WPJWA due to a significant increase in collection rates and simplified billing.

You will receive information in the mail from WPJWA regarding this matter; however, we would like to give residents as much notice as possible to prepare for the two bills they will receive in April.

All outstanding charges billed by PAMS should be paid to PAMS. PAMS will continue to collect delinquent sewage accounts.

Please contact the Borough if you have any questions regarding this matter.

EVFD

Santa to Light Tree in Memorial Park

The EVFD has been contacted by the North Pole to assure that Santa will have a ride to the Tree lighting ceremony and to the Edgewood Club afterwards to pass out goody bags. How do you say no to the big guy? I don't want coal in my stocking! EVFD will deliver Santa and the department members who offered to be his elves and hand out treat bags.

Luminaria

We will also be selling luminaria again this year. Kits include 10 bags and candles plus sand for the bottom of the bags. Kits will be available Monday through Friday at the Borough building.

Stay Safe this Winter

I am often asked why it seems that most house fires occur in the winter. The answer is simple; we spend more time indoors in the winter. Be safe this winter inside your house. Do not overload electrical outlets or run extension cords. Use caution if using a space heater. They tend to use more electricity than other appliances and pose a hazard if placed too close to combustible materials. If you have a fire place be sure the chimney is cleaned by a professional and that there is a screen on the front to prevent embers escaping onto a combustible surface. And finally, I cannot stress this enough, CANDLES cause fires. Be sure that candles are never left unattended and are extinguished before leaving a room. Never place a candle where a small child or pet could knock it over.

HALLOWEEN PARTY

On Thursday, October 27 2011, the Edgewood Library and the Police Department held their annual joint Halloween party. The party was attended by over 100 children dressed in their favorite Halloween costumes and accompanied by their parents. The evening began with a safety talk conducted by Officer Livingston, followed by a magic show that was a big hit. The evening ended with pizza, compliments of Veltre's Pizza in Swissvale. All children received a pumpkin basket with candy compliments of Giant Eagle, and a Huggie juice drink compliments of Daily Beverage Company.

The Edgewood Library and Police Department would like to thank the following businesses for their support and donations to the annual Halloween Party:

- Giant Eagle, Edgewood Towne Center
- Dollar Tree, Edgewood Towne Center
- Veltre's Pizza, Washington Ave., Swissvale
- Daily Beverage Company, Verona, PA

As you are shopping for the holiday season, we would like you to be aware of your personal safety. Always be mindful of your surroundings. If possible, when shopping, walk to and from your vehicle with another person. If you are shopping alone, you may want to walk near other shoppers while in the parking lot. Try to combine packages, so it's easier to keep track of your purchases. If you are carrying several packages from the mall, you could ask a security guard to accompany you to your vehicle. Never leave your packages or purse unattended, even if it's only for a minute or so. Purses should be carried close, with the opening facing toward the body. If you are carrying a wallet on your person, it should be carried in a front pocket.

Make sure to park in a well lighted area of the parking lot if it's night time. Place purchases in the trunk, out of view, if you plan on leaving them unattended inside your vehicle for any period of time. Double check to ensure your vehicle doors are locked, as you don't want to make it easy for the thieves. *The Edgewood Police wish you a safe and happy holiday season.*

If not, please take a minute to peruse the listing of the various activities in which the Edgewood Foundation participates on an annual basis. On various occasions the Foundation hosts fund-raising activities. But in general, we gain the support to carry on our work through residents' contributions to the Annual Fund. We need your support!

Progressive Dinner Feb. 25, 2012

Don't forget to RSVP early for the progressive dinner. Do it now before the holiday rush takes over your schedules! For those of you wondering what a progressive dinner might be like, here is how it works: The all adult evening starts at 6pm at a cocktail house where 40-50 people gather together for about an hour. Some guests make an appetizer for this part of the event; others make salad and take bread to the next part of the evening which is dinner at 7:30pm. The dinner portion is a smaller group of guests (8-14) eating and conversing until about 9pm, when the entire group of about 150-175 guests meets for dessert at yet another location. Again, certain guests volunteer to make desserts. This event is a fundraiser for the Edgewood Foundation, but mostly it is a great way to catch up and meet new neighbors in the dead of winter! Sign up now to host or provide food. We look forward to seeing you in February.

Scouts

Troop 23 Centennial 1912 – 2012

Troop 23 is celebrating its 100th anniversary in 2012. The earliest records available show that Troop 23 originated in 1912. It was organized as Troop Number One in October of that year by the joint efforts of Wilfred Blackmore, Langdon Williams, Wilfred Laidlaw and Percy Hodgkinson. The charter was granted in the name of Edgewood Presbyterian Church and was signed by John M. Phillips, a resident of Edgewood and the president of the Pittsburgh Council of the B.S.A. Its first Scoutmaster was John D. Meyer. In 1931, the area councils were reorganized and the East Boroughs Council was founded. In 1933, the troop was designated as Troop 23 within the new council structure. It is interesting to note that in 1915 the entire troop committee was comprised of officers from Westinghouse Air Brake Company. This is an indication that from the early days of Scouting, local industry has taken an active interest in the continued growth of the Scouting program. During and following World War I, the troop was inactive, due primarily to the lack of manpower for leadership as men were either called into the service or involved with war work. The first Scouts on record to have received the Eagle Scout Award in Edgewood were Bruce Patterson and James Blackmore in 1920. In May of 1921, Lou Demmler was registered as a member of the troop. He received his Eagle Scout Award in August 1926, and later served as mayor of Edgewood. John S. Dean was registered as a member of the troop committee in 1933 and was also active in the Boy Scout movement at the council and national level. He has been credited with holding the troop together through the trying years of the Depression.

In the early 1940s and 1950s, the names of many Scouters active in the operations of the troop began to appear in the records, including Ross Hill, John Johnson, Ray Yeakley, Howard Weisz, E.C. Ostrander, W.G. Turner, Daniel Snyder, and C.M. Waugaman. The years under the guidance of Harry C. Van Tassel are regarded as a strengthening period. He was assisted in his efforts and succeeded by Paul McCaffery, who served as Scoutmaster from 1960 through 1970. George Reiker, Clair Sanford, and Wilfred Rouleau served as Scoutmasters through the 70s into the 80s, followed by Benjamin Mount III, David Sanford, and Wayne Dean through the 80s into the 90s. The most recent Scoutmasters include John Harper, Rick Zeek, John Foster, and current Scoutmaster, Charles Huse.

Troop 23 has had the good fortune to have outstanding leadership through the years. The majority of its Scoutmasters continued to serve on the troop committee, along with many of the troop's former Scouts. Two Eagle Scouts of Troop 23, Ben Mount III and James Langer, chose Scouting as a career and currently serve as Scouting professionals. Our present Scoutmaster is also a professional, serving on the council staff of the Greater Laurel Highlands Council, B.S.A.

The troop has carried out many memorable activities through the years.

One highlight in the middle 1960's was a campaign urging the citizens of Edgewood to show their patriotism by displaying the American flag in front of their homes. The troop participated in the opening of the Forbes Trail in 1965, went as a unit to the 1973 National Scout Jamboree, hiked many of the popular trails in western Pennsylvania, canoed the upper reaches of the Allegheny River, made trips to Washington D.C., Antietam, and many other historic points of interest. Each summer the troop has spent a week at camp in such places as Camp Twin Echo, Camp Laurel Mountain, and Camp Liberty, Heritage Scout Reservation. Some more recent activities have included two Algonquin canoe trips, visits to Presque Isle, Flagship Niagara, Gettysburg and Project C.O.P.E.

The troop has also been active in community service events such as Edgewood's Memorial Day Ceremony, Edgewood Community Day activities, Vintage Gran Prix, the Run Around the Square, and Scout Sunday. Troop 23 can be proud of its 100 years of history. Under its present leadership the troop continues an active schedule of Scouting activities, such as hikes, weekend campouts, backpacking trips, camporees and public service. The dedication of the adult leaders to the ideals of Scouting insures a bright future for Troop 23 as it strives to help the boys develop good citizenship, character and fitness

Borough Meetings to Go 'Live'

Troop 23 Boy Scout, Adam Zelenko, is beginning his Eagle Scout project. Adam will be installing and configuring a sound recording system and assistive learning system in Council Chambers at the Borough Building. The recordings will be uploaded to the Borough website for the public to hear. The assistive learning system enables the hard of hearing to use headphones during the Council meetings to hear the Council discussions.

If you are interested in donating to this project, you may do so by either dropping your donation at the Borough Building, or by mail: C/O Adam Zelenko Eagle Project 2 Race St. Pittsburgh PA 15218.

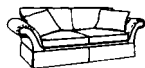

Garden Club

Greens Sale

The Edgewood Garden Club may have put away our garden rakes and hoes, but we have replaced them with jingle bells and the "Ho, Ho, Hos" of the holiday season! Make your Yuletide brighter with Greens and Things from our annual Christmas Greens Sale on Wednesday, December 7, from 10am until 7pm, at the Edgewood Club, One Pennwood Ave. The pre-order deadline may have passed you by, but don't despair and don't think twice, for there will be an abundance of greens to buy, to deck your halls and to make everything nice!

Various sizes of evergreen wreaths, pine, boxwood, or cedar roping, swags and centerpieces or mantel pieces of mixed greens will be available to purchase. You will also find boxwood trees and red or white poinsettias to enhance your foyer or holiday table. While there, don't forget to have a beautiful bow personally made for your new wreath to make it even more festive! Come early for your best selection. And, as always, friendly and knowledgeable Garden Club members will be available to assist you.

Recreation

Soccer

The 2011 soccer season has come to an end. What a great season it was! There was an excellent registrant turnout and the games were all well attended. We would also like to extend a huge 'Thank You' to all of our coaches who made this successful soccer season possible. The last games of the season were held on Saturday Oct. 29 during snow and rain showers. If you were unable to attend, you may pick up your trophies at the Borough Building or you may call me, Judy Mysells at (412)292-3061.

Basketball

Basketball will begin in December. Registration forms have been emailed to participants, have been dropped off at the schools to be sent home with the kids, are on the Edgewood website and at the Borough Building. Questions or comments may be directed to Judy Mysells, (412)292-3061.

Baseball(!)

All of the work that was scheduled to improve our field has been completed! Baseball season may seem like a long way off, however, last year we were unable to field an 11-12 year old team due to lack of registrants. It would be such a shame to have that happen this year due to all of the wonderful field improvements. Let's bring baseball back to Edgewood! More registration information to come in future newsletters.

ON THE EDGE

Crafty Edgewoodian Published

Christine Manges of West Swissvale Ave. in Edgewood is pleased to announce that a book she co-authored has been published. "Combining Rug Hooking and Braiding: Basics, Borders, and Beyond" has been published by Schiffer Publishing Co., and is available from Amazon and other stores.

Coauthored with two friends, the book was written to inspire creativity in the fields of rug hooking and braiding. It was a time-consuming process that stretched over two years of writing. "I drew all the illustrations and wrote most of the braiding chapters," Manges says, "and my friends took on the photography and chapters on rug hooking and making totes and baskets. But we each edited every single word and caption, and had to send large chapter files back and forth between Pittsburgh, Vermont, and California, where my co-authors live. We became a lot more computer savvy than we anticipated!"

Manges has donated a copy of the book to the CC Mellor Library. She teaches rug braiding regularly at the Wilkins Community Center, and can be contacted at ccmanges@gmail.com.

Ernie Dettore Day

Mayor Luke Ravenstahl declared September 20, 2011 Ernie Dettore Day in the city of Pittsburgh. The proclamation was made due to Ernie's role in having Pittsburgh recognized as a "Playful City, USA." Mr. Dettore worked in conjunction with the Mayor's office to research demographics and submit the application to KaBoom!, who sponsored the contest. "Playful City USA" is a national recognition program honoring cities and towns that make play a priority and use innovative programs to get children active, playing, and healthy. In 2011, 151 cities and towns across the country in 38 states and one territory earned "Playful City USA" status.

In keeping with its annual tradition, the Edgewood Fire Department is pleased to make luminaria available to Borough residents. The lighting of the luminaria at curbside brings back memories of a time when nearly every home in Edgewood participated in this wonderful event. Again, this year the tradition takes on added significance as we use the event to remember friends, family, and our military personnel who are not able to make it home for the holidays.

As in the past, we ask that the luminaria be lit at approximately 6:00 p.m. on December 24th. The kits purchased from the Fire Department will contain 10 paper bags, 10 candles, and approximately 10 pounds of sand. Please keep in mind that the luminaria should be placed 3 to 5 feet apart, so you may need more than one kit. If you have questions, please call (412) 242-9994.

Kits will be \$10 each and checks should be made payable to the Edgewood Volunteer Fire Dept. This year the kits will be sold exclusively at the Edgewood Borough Building (Monday through Friday from 7 p.m. until 9 p.m. and Saturdays from 10 a.m. until noon) starting December 1st. If a staff member is unavailable to take your order, please deposit your order form and payment in an envelope in the mail slot at the main entrance and accommodations will be made to deliver your kits. The last day to order your kits will be Saturday, December 17th.

Please remember that all proceeds go to benefit Edgewood's Volunteer Fire Department, a collection of men and women who give their time and skills to keep our community safe.

As always, we thank you for participating in this magical event and we wish you...

ALL THE BEST THIS HOLIDAY SEASON!
