

EDGEWOOD

December 2012/January 2013 A COMMUNITY NEWSLETTER OF EDGEWOOD BOROUGH

Limpert Award winner Lois Winslow

Life has simply been a CAFÉ for Lois Winslow! It has been filled with Community, children, art, family, friends, education and the environment. These have been the elements that have meant the most to her in her personal and professional life. Lois and her husband, Harry have lived in Edgewood for almost 45 years. They raised their two children, Jonathan and Kate, and developed great lifelong friendships.

As the only woman named to the original Edgewood Foundation board in 1983, Lois actively served for 25 years, seven as president. Community involvement throughout the years first started with The Great Arts and Sciences summer program for Edgewood children, followed by several years of the Edgewood Film Festival and Edgewood Artist Show at the Concept Gallery. With her fellow board members, friends and neighbors, Lois helped to develop many of the enduring Edgewood traditions including the senior dinner/brunch, beautification efforts, the progressive dinner and newcomers' reception.

Lois has just retired after twenty four years as Director of Education at the Children's Museum of Pittsburgh and has assumed the role of Museum Ambassador. She currently is a board member of the Nine Mile Run Watershed Association with the intent to advocate for a clean watershed in which Edgewood is a part. She still can occasionally be seen picking up trash on Brinton Road or serving cider to children at the Fall Festival after hayrides in Koenig Field. Give a wave or, better yet, join her!

Lois extends her deep thanks to the community for this great honor but accepts it only with the understanding that it is shared with Harry, as well as all the good citizens who have served on the Edgewood Foundation and our other neighbors who have worked unselfishly to help make our home, Edgewood, someplace very special.

Council Notes

Sidewalk Talk

Thanks to all residents whose diligence in repairing their sidewalks has made walking in Edgewood more enjoyable and safer.

You may have noticed the dramatic improvement in the condition of the sidewalks in the Borough over the past six months. The 2011 Edgewood Community Survey (see website for details) overwhelmingly indicated the poor conditions of sidewalks in the Borough as a primary concern of residents. In response, a part-time code enforcement officer worked this spring and summer to send out 164 notices to property owners on 45 of the 52 streets in the Borough. All repairs were completed with only one citation given for non-compliance. In addition, 5 notices were sent out for other property code maintenance violations; one citation was issued as a result. The remaining streets in the Borough are still undergoing work by the gas company and will be addressed next spring.

In addition, the Public Works department did repairs on Borough maintained sidewalks at the Borough Building, Memorial Park and Koenig Field.

Please note that after a citation is issued by the Borough, the matter is turned over to the magistrate's office. Edgewood's current magistrate is Judge Kim Hoots whose office is located in Wilksburg.

As part of the work on our gas lines this summer, Peoples Gas Company has replaced over 8,000 linear feet of

sidewalks with no cost to the residents or the Borough. Portions of the sidewalks on the following 14 streets and avenues were replaced: W. Hutchinson, S. Trenton, Pennwood, Elm, Beech, Elmer, Washington, Laurel, Ivy, Oakview, Chestnut, Gordon, Lloyd and Edgewood. In situations where the sidewalks were newly replaced or in good condition, the sidewalks were spared and the pavement on the side of the road was excavated or the contractor bored under the sidewalk instead. Work on code enforcement will continue in 2013.

Police Report

Halloween Party and Parade

On October 24, 2012, the Edgewood Police Department participated in the annual Halloween party and parade held at the Edgewood Club. Children dressed up in their favorite costumes and were escorted along the parade route with their parents. Once inside the club, Officer Livingston conducted a talk on Halloween safety. The evening ended with pizza, drinks and Halloween bags filled with delicious treats for all. We would like to thank the Edgewood Volunteer Fire Department, Edgewood Towne Centre Giant Eagle, Daily Juice and Veltre's Pizza for their contributions to make this event happen.

Winter Months

The Edgewood Police Department would like to share tips to help keep you safe during these winter months.

- Keep your sidewalks clear of snow and ice.
- Do not throw snow from your sidewalks in to the street.
- Be sure that you and guests park legally.
- Carry kitty litter, blankets and water in your car in case of a breakdown.

Our New Librarian

Meet Erin Pierce, the new children's/teen librarian at C.C. Mellor Library. Erin is a Park Place neighborhood resident who has been a librarian for over 15 years. She worked as a youth librarian at the Northside branch of Carnegie Library of Pittsburgh, then moved on to the main library in Oakland where she focused on services to teens and had the privilege to create the teen space at the Main library. After taking a few years off to raise her own kids, Erin returned to librarianship at CCAC, where she focused her energies on outreach of library services to students and incorporating social media into the library's presence. Though she adored working with the students at CCAC, Erin says her heart is in the public library and she jumped at this opportunity to bring literacy-based programming to children and families in her own community. If you don't see Erin at the library, you are likely to find her in Frick Park with her dog, hiding behind the pages of the latest teen fantasy novel, or playing in the neighborhood with her 6 and 9 year old. Things she loves the most? Connecting people with books and ice cream. Please stop by the library and welcome Erin.

Light Up Edgewood

Friday December 7, 7pm

The first Friday of December is the evening that Santa always visits Edgewood! He will meet us at Memorial Park and light the Borough tree with his magic. After the Borough tree is lit, we will gather at the Edgewood Club for warm drinks, cookies, a traditional Christmas movie and a chance to visit with Santa himself!

Again this year, we are asking for donations of new unwrapped toys for the Toys for Tots campaign. Volunteers from the Marine Corps will be on hand to accept donations. There is no value minimum for the toy donations. Together we can show the youngest Edgewoodians the spirit of giving this holiday season!

Blue Christmas?

Wednesday, December 19 at 7:00pm

The holidays can be a time of anxiety and sadness for those dealing with loss and grief, financial insecurity, difficult family situations, addictions and other less-

than-merry circumstances. This quiet, contemplative service is for those who need a break from the frenzy and false cheer of the holiday season. Through music, scripture and liturgy, we'll seek to provide a genuinely sacred experience that reveals the deep compassion and love of God.

**Traditional Christmas Eve
Candlelight Service**

Our traditional Christmas Eve Service has been moved to 7:30pm with scripture and song. We will also celebrate the Sacrament of the Lord's Supper and conclude singing Silent Night in a sanctuary illuminated only by candlelight.

Luminaria

Once again it is time for Luminaria. For those that are new to the Borough, Luminaria are brown paper bags with

sand in the bottom and a candle placed in the sand. The luminaria are placed on your sidewalk and lit on Christmas Eve. EVFD provides luminaria kits which include 10 bags, 10 candles and sand for \$10. The kits are available Monday through Friday during regular business hours at the Borough building and Saturdays from Noon until 2pm. They will also be available for purchase at the Edgewood Holiday Sale on Dec. 8 & 9 from 10am to 4pm. Please support the EVFD and honor this Edgewood tradition, another thing that makes the Borough unique.

Calls for Service

As of November 1 the EVFD had answered 400 calls for service. In October EVFD answered 50 calls for service. During hurricane Sandy crews answered 6 calls, 2 of which were electrical fires and not attributed to the storm. Other calls included accidents on the parkway due to hydroplaning and sparking wires. EVFD was staffed with 13 personnel during the storm and a 5- man crew spent the night in house to assure a prompt response to any emergency.

Police Tip of the Month

Always lock your vehicles, doors and windows to your home.

Christmas trees are the leading cause of home fires in the winter. Always check the lights as you put them on your tree and make sure that there are no breaks in the wires. Live trees should be watered daily to assure that they do not dry out. Candles should never be used on or near a live Christmas tree. In the case of fire please exit the house and call 911 immediately!

Edgewood Luminaria

In keeping with annual tradition, the Edgewood Fire Department is pleased to make luminaria available to Borough residents. The lighting of the luminaria at curbside brings back memories of a time when nearly every home in Edgewood participated in this wonderful event. Again, this year the tradition takes on added significance as we use the event to remember friends, family, and our military personnel who are not able to make it home for the holidays.

As in the past, we ask that the luminaria be lit at approximately 6:00 p.m. on December 24th. The kits purchased from the Fire Department will contain 10 paper bags, 10 candles, and approximately 10 pounds of sand. Please keep in mind that the luminaria should be placed 3 to 5 feet apart, so you may need more than one kit. If you have questions, please call (412) 242-9994.

Kits will be \$10 each and checks should be made payable to the Edgewood Volunteer Fire Dept. This year the kits will be sold exclusively at the Edgewood Borough Building (**Monday through Friday from 7 p.m. until 9 p.m. and Saturdays from Noon to 2 p.m.**) starting December 1st. If a staff member is unavailable to take your order, please deposit your order form and payment in an envelope in the mail slot at the main entrance and accommodations will be made to deliver your kits. **The last day to order your kits will be Saturday December 22nd.**

Please remember that all proceeds go to benefit Edgewood's Volunteer Fire Department, a collection of men and women who give their time and skills to keep our community safe.

As always, we thank you for participating in this magical event and we wish you...

ALL THE BEST THIS HOLIDAY SEASON!
