## Race Street Closure

Race Street will be closed though June 2024 as rehabilitation work continues on the Norfolk Southern railway retaining wall along Pennwood Avenue. The closure is in effect from 9 a.m. until 3 p.m. Monday through Friday. Pedestrian access between Edgewood Avenue and Pennwood Avenue through the pedestrian tunnel will remain open so long as the contractor can safely accommodate the foot traffic. Flaggers will be stationed at the entrance as needed to control access when work may create unsafe conditions for pedestrians.

## Residential Building and Zoning Permits

A zoning permit is required any time your project involves enlarging or constructing a new driveway, wall, fence, shed, balcony, deck or porch. The zoning officer will review your application and ensure its conformity with the borough's zoning ordinance. They may request supplemental information like a property survey to aid in their review. A permit will be issued once the project is reviewed for compliance with the zoning ordinance and the \$45 fee is paid.

A building permit is required any time you're making a structural change to a home. This can include removing a wall or adding a new porch or deck, repairing a deteriorating foundation, building or replacing steps (both inside and outside), or detached garage. The building inspector requires a drawing or plans along with a building permit application. A fee is collected once the plans are reviewed and approved. The fee covers the cost of reviewing the plans and follow up inspections to ensure that the project is built as designed. The permit is closed out once a final inspection is performed and that provides the property owner with proof that the project was property permitted and complies with all applicable codes.

It is important to note that a satisfactory final inspection does not evaluate the quality of the finished work (craftsmanship). Rather, it confirms the project was completed to the approved specifications and complies with the standards set forth in the Uniform Construction Code.

Just as with a zoning permit, building permits are given after plans or drawings are reviewed and the fees are paid. Building permit fees are a percentage of the total estimated cost of construction. Some projects may require an electrical permit depending on the scope of work and if there are any changes to the existing electrical layout.

Some projects require both zoning approval and building permits so it's important to contact the borough at 412-242-4824 and select option #4 to speak with the building department before starting your project.

## Sidewalk Reminder

As spring greets us, take a moment to inspect your sidewalk for any defects and make arrangements to have it repaired. Sidewalk and curb maintenance is the responsibility of the property owner under section 177 of the Edgewood Borough Code of Ordinances.

## Summer Help Wanted

Edgewood Borough Public Works seeks qualified candidates for seasonal, part-time employment for the summer. Employment runs from approximately May-September. Rate of pay is \$12-13.50 per hour depending on experience. Interested applicants can obtain an application from the borough's website at [Edgewood.pgh.pa.us](http://Edgewood.pgh.pa.us) under the Departments tab.

## Support EAPS

Eastern Area Prehospital Services depends on donations and subscriptions to provide emergency medical services to our community. Please consider a donation or subscription today: [www.easternareaems.net](http://www.easternareaems.net).

## Banner Community Designation

Edgewood Borough was once again named a Banner Community by the Allegheny League of Municipalities. This designation is awarded to communities that measurably demonstrate sound fiscal management, provide professional development, exercise intergovernmental cooperation and engage community stakeholders.

# SPOTLIGHT ON LOCAL BUSINESS

## Edgewood Giant Eagle Distribution Center

Edgewood gets a taste of the future of grocery fulfillment. Grocery order pick-up and delivery has become commonplace for many of us, especially since the Covid 19 Pandemic. With the rise in popularity of these services, Giant Eagle is adjusting its grocery fulfillment strategy to accommodate that need with micro-distribution centers. The Edgewood Towne Center the first site selected for this new service. We spoke with Janah Jablonowski, Public Relations Manager at Giant Eagle, to find out more.

"In the evolving world of online grocery ordering, speed and efficiency are key to best serve customers. In the company's first-ever Micro-Fulfillment Center, Giant Eagle Team Members will utilize innovative technology to efficiently gather items from an automated storage grid to fulfill select orders placed online for Giant Eagle's home delivery or curbside pickup services.

Customer demand for faster, more convenient online order fulfillment continues to grow. This facility is designed to streamline Giant Eagle's fulfillment operations, ensuring increased speed and efficiency. As a result of this heightened efficiency, our Pittsburgh-area guests can expect an enhanced level of service with more available curbside pickup and home delivery timeslots and fewer product substitutions in orders fulfilled in the Micro-Fulfillment Center.

With the introduction of our new Micro-Fulfillment Center, we are excited to leverage state-of-the-art technology to help our Team Members better serve our customers. This facility has also created new job openings and growth opportunities for both potential and current Giant Eagle Team Members, bolstering the community it serves.

Located within the same plaza as our Edgewood Giant Eagle, the Micro-Fulfillment Center is strategically positioned to support not only the Edgewood Giant Eagle location but also creates the opportunity for the facility to serve additional Giant Eagle locations in the surrounding area. The Edgewood Towne Center has long been home to our Edgewood Giant Eagle location. Over the years, we have been honored to serve area customers and are proud to be part of the Edgewood community. We are pleased to expand our presence in Edgewood as we look forward to a future of further innovation."

## EDGEWOOD RECYCLES

Republic Services asks that all recyclables be empty, clean, and dry. This means that all containers must be completely free of food, grease, or liquids. When in doubt, throw it out.

Edgewood residents can recycle flattened cardboard, paper, newsprint and mail; cleaned metal and aluminum cans; cleaned #1 & #2 plastic bottles, jugs, aseptic containers and clamshells. Clamshells for produce or fruits made of #1 or #2 plastic that can be rinsed clean can be recycled. Small containers (travel sized) can be recycled but must be clean. Please discard ALL containers that cannot be rinsed clean. A dirty container can contaminate the recycling stream rendering it unrecyclable.

Republic Services has stationed a

large blue dumpster in the parking lot behind the Edgewood Borough building (2 Race Street), for items to be dropped off at residents' convenience. This bin is for GLASS COLLECTION ONLY and is located next to the paper collection bins.

All items should be placed loose in a recycling bin. Do not place any recyclables in plastic bags! Bags of recyclables will be treated as refuse and landfilled. Please keep all plastic bags out of the recycling stream.

Plastics #3-#7 are not recyclable and should be placed in the trash. Many common items made of plastic or metal including children's toys, household appliances and furnishings, and flatware should be discarded as trash. More examples include clothes hangers, plastic bags and wrappers, scrap metal and aluminum foil. These items are not re-

cyclable and clog the sorting machines.

Take out containers are not recyclable. Any container made of Styrofoam, laminated paper, or plastic, even if it's #1 or #2, contaminated with food waste should be discarded as trash. Cardboard pizza boxes are not recyclable. Drinking straws, stirrs, and plastic utensils are not recyclable.

Household Hazardous Waste (paint, used motor oil, unwanted cleaning products, etc) and E-Waste collections can be scheduled for pickup by calling Republic Services customer service at 800-464-2120. Appointments for HHW and E-Waste pickups must be scheduled; these items will not be collected with residential collection.

*Questions about service, bulk items, or container delivery should also be directed to the customer service line, 1-800-464-2120.*

## Edgewood Borough Volunteer Fire Department

The Edgewood Volunteer Fire Department (EVFD) mission is not just to protect and serve, but to inspire and educate the next generation of emergency responders. We are proud to spotlight our Junior Firefighter Program, an initiative designed to introduce young people to the world of firefighting and emergency medical services, fostering a deep-rooted sense of community service, teamwork, and responsibility.

With seven dedicated juniors currently enrolled, the program provides opportunity for adolescents with an interest in serving their community to gain valuable life skills. Meeting every Monday evening from 7 to 9 PM, with an additional requirement to participate in a Thursday evening drill once a month with our experienced firefighters, the program balances rigorous training with respect for academic and personal commitments. This structured approach ensures that our junior firefighters receive a comprehensive education in firefighting fundamentals and emergency services in a manner that is both engaging and manageable for their age.

Our junior firefighters are assigned to an operational division within EVFD such as rescue, fireground, station, training, or EMS allow them to gain specialized experience, exposing them to various facets of firefighting and rescue operations. This hands-on approach is complemented by the guidance and mentorship of experienced firefighters and officers, ensuring a safe, supportive, and enriching environment for all participants.

Safety is a strong focus addressed through strict protocols and continuous supervision. The program is designed not only to educate but to empower, encouraging junior firefighters to understand the impact of their service and the importance of active citizenship. It's a journey we hope delivers personal growth and development, with the added potential of inspiring career paths in firefighting and emergency services.

The EVFD extends its gratitude to the families who have entrusted their young ones to our care. We are committed to making the Junior Firefighter Program a transformative experience, one that shapes not just future firefighters but future leaders. For questions, concerns, or more information, please reach out to Fire Chief Ben Reynolds at [breynolds@edgewoodfire.org](mailto:breynolds@edgewoodfire.org) for more information or visit our website at [www.edgewoodfire.org](http://www.edgewoodfire.org).

Together, we are building a stronger, safer, and more connected community, one junior firefighter at a time.

Edgewood Continues our tradition of offering youth sports leagues to children in our area, and we are dedicated to keeping registration costs for families low, while still maintaining our field and equipment. Our sponsors make it possible to maintain safe, new equipment for our players, and keep registration fees reasonable. Thank you for your support!

### Koenig Field Reservations

Groups or individuals engaged in an organized (i.e. leagues, social clubs, amateur associations, etc) sporting activity are required to apply for and receive a field use permit. Individuals or groups wanting dedicated tennis or pickleball court time are encouraged to reserve their desired space to ensure access. Establishing a field use permit system ensures that field space is available for both groups and individuals to maximize recreational opportunities while ensuring equity amongst all users.

Scheduling preference will be given to Edgewood residents and then to other leagues, groups, clubs and associations. All facilities are open to the public unless otherwise reserved for organized use. The public may use all other parts of Koenig Field at any time that are not reserved for organized play.

A fee schedule has been created, in order to best manage regular upkeep and maintenance on borough facilities. Fees may be waived by Edgewood Borough Council on a case-by-case basis. Refunds will be given at the discretion of the borough in instances of bad weather where playing during or immediately after could damage the field, or if the borough unilaterally cancels a reservation.

**Spend your summer with C.C. Mellor! We have a full slate of programs and events to fill up your summer with fun and community.**

**CCM is having a party!**

The annual CCM Library Block Party will be held from 4-7 p.m. on June 18 at the Westinghouse Lodge in Forest Hills. Join us in celebrating the end of the school year as we kick off our summer learning programs with a free, fun event for the whole family.

**Monster Readers**

Get ready for a Monster Summer with CCM's kids summer reading program! Read books, come to programs, and stop by the library to earn Monster Trading Cards. Earn 2024 limited edition cards by reading for an hour, attending library events, and stopping by either of our library locations for a new special release card each week. Cards are CCM originals, created by talented library staff and the CCM Teen Group members. Can you collect them all?

**Summer Book Bingo**

Get rewarded for reading this summer with CCM's adult summer reading program. Check off the categories that match the books you read and earn raffle tickets for our prize baskets! Every square you check off = one raffle ticket. Every BINGO = a BONUS raffle ticket. Each book can only be used once, so be strategic!

There are so many categories to look forward to: a book that takes place in the future, a book written by a local author, and more. Stuck on a category you're not familiar with? Ask a CCM librarian for a recommendation! Start tracking your reading on June 1, the winners will be chosen on the last day of the program, August 31.

Summer reading isn't all there is to look forward to, here's just some of our other upcoming programming to get excited about. Be sure to follow us on Facebook and Instagram and visit [www.ccmellor-library.org](http://www.ccmellor-library.org) for all the latest information and more programs.

**Crafting Circle**

Have you ever wanted to be a medieval artisan crafting and chatting away with your best buds? This is the modern version! Bring whatever craft your heart desires and join us for snacks and conversation. Crafting Circle will be held weekly from 6:30-7:30 p.m. on Mondays, beginning in May.

**Plant Swap**

Propagation projects gone overboard? In need of something green to nurture? Bring some sprouts, cuttings, or whole plants and swap with friends and neighbors! There will also be small pots and acrylic paints to decorate. It's a drop-in event, so come to the picnic tables outside of CCM Edgewood any time from 10 a.m.-1 p.m. on May 11.

**Tie-Dye Tuesday**

Families can sign up in half an hour interval to tie dye any 100% cotton garments that they bring! We'll teach you how to fold and wrap your tie-dye, dye it and then you can't get it home with the instructions on how to wash and take care of it. Sign up for a timeslot from 1-7 p.m. on June 11 (or June 25 if it rains) on our website.

**Baby Book Shower**

Spark a lifetime of literacy at the library! Join us at our Baby Book Shower to celebrate your child and learn more about what the library has to offer young families. Attendees will get a bag of baby

toys and books, as well as tips for growing your little reader. Books and materials geared for children up to 24 months. Older siblings and expectant parents welcome. Join the party from 10-11 a.m. June 22 at the Edgewood Club.

**Connect with Nature this Summer**

CCM is bringing nature and life into our locations this summer. The chickens are back at Edgewood, stop by the Children's Programming Room between June 5 and July 10 as we incubate and hatch baby chicks! Later in the summer, at CCM Forest Hills we'll be hatching butterflies, so keep an eye on our website for more information.

**Summer Camps at CCM Edgewood and CCM Forest Hills**

CCM is so excited to be offering a wide range of fun summer programs for kids, tweens, and teens. Here are some exciting camps and recurring programs to look forward to: Messy Art Camp, Kindergarten Camp, Acrylic Adventures Camp, Summer Silliness, Graphic Novel Camp, Comic Camp, and Adventure Club. More information will be available on the CCM website as it is announced.

CCM Library will continue with our regular programming including Family Story time, Makerspace Monday, Tween Club, Baby Talk, Teen Group, Knitting Group, Great Outdoors Book Club, Forest Hills Social Hour, Pajama Storytime, The Wanderers, The Seekers, Music & Movement Story time, 4th Tuesday Book Club, Century Book Club, and Homeschool Book Club throughout the spring. All children's and teen programming will be taking a break from May 20 through 31 to prepare for our summer fun!

# Woodland Hills School District

Edgewood Elementary STEAM Academy students had multiple opportunities to expand their STEM knowledge throughout March. The Edgewood PTA sponsored a fantastic Family STEM Night on March 15, which enabled families and their students to work on multiple projects together across science, technology, engineering, and math. Meanwhile, second graders visited the Kamin Science Center, where they enjoyed the hands-on exhibits and made a special trip through the solar system.

Edgewood Elementary STEAM Academy students have a busy final month of the school year planned, all leading up to the fifth grade promotion ceremony in early June.

**PA PRE-K COUNTS REGISTRATION** The Woodland Hills School District is accepting registration applications for the PA Pre-K Counts Program for the 2024-25 school year. This is a full day program running Monday through Friday from 9:15 a.m. to 3:15 p.m. This program is free to residents who live within the boundaries of the Woodland Hills SD; whose children are three (3) or four (4) years old and fully potty trained by September 1, 2024, AND gross household income is within 300% of federal poverty level.
